## Peacekeepers/ROK Army Fit To Fight

Story by Franklin Fisher

When the roadside bomb went off, Pfc. Margarita Gutierrez, 188th MP Company, stopped her HMMWV, dashed to the rear of the vehicle, got in the prone position and started firing on the enemy to the right.

Other military police officers in her unit were doing the same, just as they'd been trained to do if ambushed while escorting a convoy.

The action in this case was not in Iraq but at the Bojeol training range in South Korea, about three hours southwest of Taegu, earlier this week.

Gutierrez and

about 100 other soldiers from the 188th, 552nd, and 57th MP Companies, were drilling in one of the unit's basic wartime missions: escorting a supply convoy along a main supply route. The training, which began Monday and ended Friday, also in-

involved MPs and infantrymen from the South Korean Army.

But the week's training was markedly different from the usual live-fire reaction to ambush drills the MPs have conducted in the past.

## Force Protection Information

The U.S. Forces Korea Civil Gathering Hotline is an automated recording, updated daily intended to inform service members and their families across the Korean peninsula about ongoing pro or anti U.S. civil gatherings. When on post, simply dial **115**. The hotline informs callers about the dates and times of scheduled civil gatherings as well as locations.

If you find yourself in one of these areas and need assistance, simply call **112** for the Korean National Police. If in Seoul dial **02-7914-3004** or **3005** for Yongsan's military police.

If in other areas of Korea, soldiers and their families can refer to the emergency phone numbers on the USFK SOFA card.

**Reminder:** All USFK Personnel and their family members are required to carry a SOFA card at all times. Be safe and use the Buddy System.

This time, it drew on the firsthand experiences some of the unit's leaders have had in Iraq, said Lt. Col. Douglas L. Ingros, who served there with the 4th Infantry Division from March 2003 to March 2004. Two of the battalion's sergeants major also have served in Iraq.

"We modified the training a little bit as to convoy operations," said Ingros, who assumed command of the unit about a month ago. The battalion, nicknamed the "War-fighters," is headquartered at Camp Henry in Taegu.

In past live-fire convoy ambush drills, the battalion's MPs were trained to quickly return enemy fire, bolt from their vehicles, form up to assault the enemy's positions and then attack by "fire and maneuver," with one group alternating with the one beside it in laying down covering fire while the other moves forward.

In that and other pre-Iraq training methods the battalion will continue to train, said Ingros, but they'll put big emphasis on applying lessons learned in Iraq.

Instead of in every case leaving the convoy to chase

down the enemy, Ingros said, he'll train the MPs to fire at the enemy from their vehicles, keeping close to their convoy and the mission of protecting it. Troops will still assault the enemy's positions, but that job would be left to the South Korean infantry.

"We're going to deviate, and again it's lessons learned off of what a lot of us were doing in Iraq," Ingros said.

Several other Iraq-related techniques were emphasized, Ingros said.

Humvee gunners were trained to rely on their own split-second judgments as to what targets to fire at from their turrets, something they'd previously left up to their team leaders.

And Ingros wants gunners to reload their own MK-19 machine guns instead of having the ammunition passed to them, a luxury they may not have in actual combat, he said.

And they're being taught the importance of using the Humvee's body, including its tires and underside, for cover and concealment during combat.

In addition, he said, the battalion's MPs are being weaned from the traditional reli-

ance on the prone firing position. Instead, they're being encouraged to use whatever firing positions make the most sense in the immediate circumstances.

Gutierrez got that lesson this week as she lay in the mud firing her squad automatic weapon.

"I thought that was where I had to stay, but with the mud I was making my weapon jam," she said. One of the battalion's officers told her she should find a position that would keep the weapon clear of mud.

"I took a knee," she said.

Also training with the battalion this week was Cadet James Blackburn, who soon will begin his final year at the U.S. Military Academy at West Point.

The training gave him many insights, he said, including that team leaders need to resist the urge to join in firing on the enemy and instead stay focused on directing the firing and other actions of their soldiers.

"There's the potential for chaos if the leader isn't paying close attention to the soldiers," Blackburn said.

## 이라크전 경험을 바탕으로 한 실제화력훈련

Translated to Hangul by Pfc. Jung, Jung-Woo

길 가의 폭탄이 터지자 마가리타 구티에레즈 Margarita Gutierrez 일병은 험비를 멈추고 차량 뒤로 달려가 옆드려썩 자세를 취하고 적에게 사격하기 시작했다.

그녀의 부대에 속한 다른 헌병장교들도 호송 임무 중 매복에 당했을 때 취해야 하는 행동을 훈련을 받은대로 똑같이 행했다.

이번 반응이 다른 점은 그것이 이라크가 아니라 대구에서 남서쪽으로 3시간 가량 떨어져 있는 한국의 보절면에 있는 사격장에서 이번 주 초에 행해졌다는 것이다.

구티에레즈 일병과 다른 100여명의 728헌병대대 병사들은 다른 기본적인 전시임무를 훈련받고 있었다. 그것은 후보급로를 따라 보급 호송을 호위하는 것이다. 월요일에 시작되어 금요일에 끝난 이번 훈련은 한국군 장병과 함께 한 연합훈련이었다.

그러나 한 주 간의 이번 훈련은 헌병들이 예전에 수행하던 매복에 대한 실제화력훈련과는 현저히 달랐다.

더글라스 엘. 잉그로스 Douglas L. Ingros 중령은 이번 훈련이 부대의 일부 리더들이 2003년 3월부터 2004년 3월까지 이라크의 4보병사단에서 직접 경험한 것을 바탕으로 실시된 것이라고 말했다. 대대의 두 명의 원사들 또한 이라크에

서 복무했었다.

약 한 달 전에 부대의 지휘를 맡았던 잉그로스 중령은, “우리는 이 훈련을 호송 작전에 관한 것으로 약간 바꾸었습니다.”라고 말

했다. “Warfighters”라는 별명을 가진 728헌병대대는 대구의 캠프 헨리(Camp Henry)에 본부가 있다.

과거의 호송 중 매복 사격

## From LFX, page 3

훈련에서 대대의 헌병들은 적들에게 재빨리 반격하도록 훈련받았다. 차량 뒤에서 발사하고, 다른 그룹이 엄호 사격을 해주는 동안 대형을 맞춰 적에게 돌진한 뒤 “사격과 기동”으로 공격한다.

인그로스 중령은 이라크전 이전의 훈련 방법으로도 계속 훈련을 하겠지만 앞으로 이라크에서 얻은 교훈을 더욱 강조하여 훈련할 것이라고 말했다.

그는 적을 쫓느라 호송대를 남겨놓기 보다는 헌병들이 그들의 차량 근처에서 사격하여 호송대를 보호하는 임무를 수행하도록 훈련시킬 것이라고 말했다. 병력들은 여전히 적들에게 돌진하겠지만 그 임무는 한국 보병들이 맡게 될 것이다.

인그로스 중령은, “우리는 예전의 방식에서 벗어나서 우리가 이라크에서 배운 것들을 더욱 활용할 것입니다.”라고 말했다.

다른 이라크 관련 기술들도 강조되었다고 인그로스 중령은 말했다.

힘비 사수는 터릿에서 어떤 목표를 사격할지를 그들 자신이 아주 짧은 순간 동안 판단하도록 훈련받았다. 예전에는 팀리더가 그것을 결정했었다.

그리고 인그로스 중령은 사수들이 그들 자신의 MK-19을 스스로 재장전하도록 했다. 실제 전에서는 탄환을 다른 사람이 전달해줄 수 없기 때문이다.

그리고 그들은 힘비 차체 사용의 중요성에 대해서도 배웠다. 전투 중에 타이어와 힘비 아래쪽을 이용하여 은폐하는 것이다.

게다가 그는 대대의 헌병들이 전통적인 엽드려췌 자세에서 벗어나도록 했다. 대신에 즉각적인 상황에 맞는 자세를 취할 수 있도록 했다.

구티에레즈 일병은 이번 한 주 동안 진흙에 엽드려 사격하면서

**A SAW gunner takes aim and fires on enemy targets. Photo by Cpl. Jung, Jung-Woo**

이와 같은 교훈을 얻을 수 있었다.

그녀는, “그곳이 제가 머물러야 하는 곳인 줄은 알지만 그곳의 진흙은 제 총의 기기고장을 일으켰습니다.”라고 말했다. 대대의 장교 중 한 명은 그녀에게 총을 진흙에 닿지 않는 자세로 쏘아야 할 것이라고 말해주었다.

그녀는, “그래서 전 무릎췌 자세를 취했습니다.”라고 말했다.

또한 대대의 이번 훈련에는 웨스트포인트 미육군사관학교의 제임스 블랙번 생도도 함께 했다.

그는 이번 훈련을 통해서 팀리더는 적들에게 사격하는 충동에 이끌리기 보다는 사격을 지도하고 병사들의 행동에 더 관심을 기울여야 한다는 등의 식견을 얻었다.

블랙번 생도는, “리더가 병사들의 행동에 관심을 기울이지 않으면 혼란에 빠질 우려가 있습니다.”라고 말했다.

## ROK Army 35th Div. MP Commander Honors 728th

Story by Cpl. Jung, Jung-Woo

**L**t. Col. Lee, Jung-Yeol, the 35<sup>th</sup> Division Military Police Battalion Commander, visited his soldiers' combined live fire exercise (CLFX) training on Bojeol range where they were training with their US counterparts from the 552<sup>nd</sup> MP Company. His visit was to promote camaraderie and more combined training events.

The 57<sup>th</sup> MP Company played a part in this visit weeks before the 552<sup>nd</sup> conducted the CLFX. The 57<sup>th</sup> MP Co. did a number of community relations events, such as visiting a school and orphanage, that were received so well by the local residents and city officials that the ROK Army, to include the 106<sup>th</sup> Infantry Regiment of the 35<sup>th</sup> Division, believe it will open more training opportunities for

them in Bojeol area.

Lt. Col. Lee and Lt. Col. Ingros, the 728<sup>th</sup> MP Bn Commander, agreed on the range to continue these sorts of training opportunities to enhance our war time mission capabilities

and understanding of each other.

The two battalion Commanders watched their soldiers conducting live fire exercise with equal interest and concern. After firing, Lt. Col. Lee had time to address his soldiers and "Warfighter" soldiers to thank them for their outstanding performance during the CLFX training. Before departing, Lt. Col. Lee and Lt. Col. Ingros presented each other with plaques representing their battalions.

## 한국군 헌병대장의 합동사격훈련 방문

Translated to Hangul by Pfc. Jung, Jung-Woo

**제** 35사단 헌병대장 이정열 중령은 552헌병중대의 미군들과 35사단 헌병대 장병들이 함께 실제화력훈련을 실시하고 있는 남원시 보절면의 사격장을 방문했다. 그의 이번 방문은 장병들의 전우애를 돈우고 앞으로 더많은 연합 훈련을 실시하기 위해서였다.

57헌병중대는 552헌병중대가 한미연합실제화력훈련을 실시하기 몇 주 전부터 이번 방문을 위해 노력했다. 57헌병중대는 학교나 고아원을 방문하는 것과 같은 많은 지역사회 관련 활동을 해왔었다.

이정열 중령과 728헌병대대장 더글라스 인그로스 Douglas Ingros 중령은 전시상황 대처능력을 강화하고 서로의 이해를 돕기 위해 앞으로도 이와 같은 훈련 기회를 많이 가지기로 합의했다.

이정열 중령과 인그로스 중령은 그들의 병사들의 실제화력훈련을 관심있게 지켜보았다. 사격이 끝난 후, 이정열 중령은 그의 장병들과 728헌병대대 병사들에게 하는 연설 중에 합동 훈련 동안 보여준 뛰어난 수행에 대해서 감사했다. 연설 후 인그로스 중령과 이정열 중령은 서로의 대대를 상징하는 액자를 증정했다.

## Alpa Team GO GO GO!!!

Story by Pfc. Van M. Tran

**O**n July 25 2005, third platoon from the 557<sup>th</sup> Military Police Company conducted an exciting and motivating type of training called Military Operations on Urbanized Terrain, or MOUT training on Camp Humphreys. This type of training consists of real life scenarios such as building searches, room clearing, and securing a weapons cache. This type of training has become necessary in today's combat environment.

What made this MOUT training so special was the fact that it was the first time that MPs were given the "OK" to use blank rounds in a building on post.

"We would like to thank the installation for the providing us the opportunity to use this

**The fire team prepares to escort two POWs out of the building for further processing. Photo by Pfc. Van M. Tran**

building to conduct our training," said platoon leader 2<sup>nd</sup> Lt. Brian Chung

Throughout the day, Soldiers were observed and graded on their ability to properly set up a perimeter around the tar-

geted area and also how well they maneuvered once inside the building. The team leaders and squad leaders were graded on their ability to lay out a plan and properly execute that plan.

"Being able to conduct good training and letting the junior Soldiers get their feet wet in this kind of training that simulates real world situations is a great satisfaction for me," said third platoon, second squad leader Staff Sgt. Dereke Plater.

The platoon also learned that there is more to MOUT training than just going into a building and kicking in doors. The Soldiers were taught the difference between a dynamic entry and deliberate entry. They were also presented with many challenges that they had to overcome such as civilians in the build-

ing that was being cleared.

The most important aspect of this training was to familiarize the Soldiers in the 557<sup>th</sup> MP Co. with a job that they are performing when deployed anywhere in the world. "It also taught them the importance of team work. It showed that if one man on the team goes down or does not properly do his job, the whole team suffers," said Pfc. Javier Ramirez from second squad, alpha team.

The training did not only benefit the American Soldiers, but it also gave the KATUSA soldiers a chance to experience MOUT training, some of which will never have the chance to do again before getting out of the Army.

"Working with GI's is beneficial because we learn from each other. It also gives us a chance to get out from behind the desk and sweat a little bit," said Cpl. Chae, W. O, first squad, bravo team gunner.

When the day was over and the sweat had finally dried from their backs and faces, the Soldiers from third platoon of the 557<sup>th</sup> MP Co. felt well trained on the tasks that they had set out to overcome.

"The Soldiers' motivation had just turned around from the week before and we hope to get more chances to conduct realistic training like this in the future," said alpha team leader, Sgt. Brad Bleakney.

## 시가전 훈련을 경험한 557헌병중대

Translated to Hangul by Cpl. Jung, Jung-Woo

2005년 7월 25일, 557헌병중대 3소대는 캠프 험프리스(Camp Humphreys)에서 시가전 훈련을 실시했다. 이와 같은 훈련은 건물수색, 공간정리, 무기획득과 같은 실제 시나리오를 포함하고 있다.

이번 시가전 훈련은 포스트에 있는 빈 건물을 처음으로 사용한 훈련이라는 점에서 특별했다.

소대장 브라이언 정 소위는, "우리의 훈련을 위해 이 건물을 사용할 수 있는 기회를 준 것에 대해서 감사하고 있습니다."라고 말했다.

이 날의 훈련을 통해 병사들은 목표지역의 시계를 확보하는 능력과 그들이 얼마나 건물에서의 훈련을 잘해내는지에 대해 평가받았다. 팀리더와 분대장들은 계획을 세우고 실행하는 능력에 대해 평가

받았다.

3소대 2분대장 데릭 플레터 Dereke Plater 하사는, "이처럼 좋은 훈련을 수행하고 병사들에게 실제 상황과 비슷한 훈련을 경험할 수 있도록 한 것에 대해서 매우 만족함

니다."라고 말했다.

3소대는 또한 이번 시가전 훈련을 통해 그저 건물에 들어가 수색한 것보다 더 많은 것을 배웠다. 병사들은 동적침투와 신중한 침투의

차이점에 대해 알게 되었다. 그들은 또한 건물 안의 민간인들을 처리하는 것과 같이 앞으로 극복해야 할 많은 도전도 겪어볼 수 있었다.

이번 훈련에서 가장 중요한

점은 557헌병중대의 병사들이 세계 어디로 파병되든 간에 가장 많이 수행하게 될 임무를 겪어볼 수 있었다는 것이다. 2분대 A팀의 제비어 레미레즈 Javier Ramirez 일병은, “팀워크의 중요성을 알 수 있었습니다. 바로 한 명의 팀원이 자신의 임무를 제대로 수행하지 못하면 팀 전체가 힘들어진다는 것이죠.”라고 말했다.

카투사들 또한 이번 훈련을 통해 시가전에 대해서 체험할 수 있었다.

1소대 B팀의 사수 채 상병은, “미군들과 함께 일하면 서로 배울 수 있는 점이 있습니다. 또한 행정업무에서 벗어나 땀을 흘릴 수 있는 기회를 가질 수도 있습니다.”라고 말했다.

557헌병중대 3소대 병사들은 이 날의 훈련이 끝나고 그들의 등과 얼굴에 흐르던 땀이 마르면서 그들의 임무를 잘 수행했다는 것을 느

낄 수 있었다.

A팀 리더 브레드 블리크니 Brad Bleakney 병장은, “일주일 전에 비해 병사들의 동기부여가 잘되었습니다. 앞으로도 이와 같은 훈련을 가질 더 많은 기회가 있을 것이라 생각합니다.”라고 말했다.

## 55th MP Company Making Friends

Story Courtesy of 55th Military Police Company

The 55<sup>TH</sup> Military Police Company visited the “New Home Orphanage” in Tongduchon on July 27<sup>th</sup>. The New Home Orphanage is home to 37 orphans with a full time staff of 8 personnel. The head director of the orphanage, Mr Hwang, conveyed that the 55<sup>th</sup> MP Co.’s assistance impacts the children and orphanage immensely.

On this visit, the 55<sup>TH</sup> MP Co. brought stuffed animals, crayon sets, water paint sets, colored paper, coloring books, reading books, hair ribbons, and lots of snacks. The 55<sup>TH</sup> MP Co. had soldiers and KATUSAs who volunteered for this event and played with the children for close to 3 hours, ending their visit by having lunch.

Wasting no time helping their friends, the 55<sup>TH</sup> MP Co. went to the orphanage again on Saturday, July 30<sup>th</sup>, with an all volunteer detail of personnel including 1SG Lynn Tharp, to assist the

orphanage grounds caretaker with cutting their grass and some needed maintenance. This is a just one example of why the 55<sup>th</sup> MP Co. took 3<sup>rd</sup> place last year in the Eighth Army Good Neighbor Program competition and will no doubt be a competitor in this year’s contest.

## 55헌병중대의 고아원 방문

Translated to Hangul by Cpl. Jung, Jung-Woo

55헌병중대는 7월 27일 동두천에 있는 “새집고아원”을 방문했다. 새집고아원은 8명의 인원이 37명의 고아들을 돌보는 고아원이다. 고아원장 황씨는 55헌병중대의 지원이 아이들과 고아들에게 많은 영향을 주고 있다고 전했다.

55헌병중대는 이번 방문에서 동물인형, 크레용 세트, 물감세트, 색종이, 그림책, 동화책, 머리리본과 많은 과자를 전달했다. 미군들과 6명의 카투사들이 자원해서 이번 행사에 참여하여 아이들과 3시간 가량 같이 놀고 점심을 먹는 것으로 일정을 마쳤다.

어려운 친구들을 돕는데 시간을 아끼지 않는 55헌병중대는 7월 30일 토요일에 린 타프Lynn Tharp 일등상사를 포함한 자원자들이 고아원을 방문하여 잔디를 깎고 정비를 해주는 등의 일을 도왔다. 이것은 55헌병중대가 작년에 미8군의 좋은이웃프로그램에서 어떻게 3등
